

My Cat Mittens

I love my cat Mittens,
He rules the house like a king,
He is furry and brave.

In the morning,
He wakes me up super early,
By pulling my hair meowing.

When it starts to rain he comes to the window,
Like a scardy cat.

When he plays outside,
He runs up the slide with ninja pride.

I feel warm and cosy when,
He cuddles up with me.
When I give him a scratch that's when we love it best.

When I arrive home from school, he knows it's the best time,
Because I give him a hug he's like a teddy in my arms
His purrs are like music to my ears.

I love my cat Mittens
